

NATIONAL INSTITUTE OF NUCLEAR PHYSICS

MARKET SURVEY

INFN is setting up the procedure to alienate 101 metric tons of Gallium Chloride (about 30 metric tons of pure Gallium) and therefore is soliciting expression of interest of potential buyers.

Expression of interest should be sent by a registered mail to the following address: INFN – Direzione Affari Contrattuali e Patrimoniali, Via Enrico Fermi, 40 – 00044 FRASCATI (Rome) ITALY, not later than May 31<sup>st</sup>, 2006, to the attention of Dr. Dolores Federici - Tel. +39-06-94032491 / e-mail: [dolores.federici@lnf.infn.it](mailto:dolores.federici@lnf.infn.it)

For further information please contact Dr. Marco Balata, Tel. +39-0862-437292 / e-mail: [marco.balata@lngs.infn.it](mailto:marco.balata@lngs.infn.it)

Frascati, 9 maggio 2006

THE INFN PRESIDENT

(Prof. Roberto PETRONZIO)
